EXPERIENCE

2D Animator/ Animation Revisionist

Verite Films - Jeremy and Jazzy | Toronto, ON

04/2024 - 08/2024

- Enhanced a variety of scenes for animation to exaggerate character expressions and actions to give a clear feeling to the scene
- Animated and reanimated parts and full scenes using ToonBoom Harmony rigs with Lip Sync and timed to music while referencing storyboards
- Communicated regularly with supervisor to ensure deadlines were being met and I was completing my scenes efficiently, and correctly

Residence Services Representative

Campus Living Centres Inc., | Oakville, ON

08/2021 - 03/2025

- Communicated pertinent information with team members and supervisors to collaborate effectively
- Utilized the computer software systems and applications with meticulous attention to detail to complete tasks to manage multiple tasks

PROJECTS

MASKED - Banana Box Productions

Visual Development and Layout Lead

09/2023 - 04/2024

- Referenced storyboards to produce character turnarounds, animation, layout designs and concept designs
- Organized deadlines, and ensured visual consistency between team members
- Offered valuable critique and insight at team meetings to present ideas that enhanced the quality of work

Sheridan Animation Anijam

05/2023 - 09/2023 + 05/2024 - 08/2024

- Individually developed a fully produced animation sequence to be used in a collaborative production
- Presented and organized concept art and animation tests to monitor progress
- Designed multiple sketches early in the pipeline for a satisfying product

Freelance Commissions

11/2019 - Present

- Collaborated with a variety of clients to produce illustrations, designs, book covers, clothing designs, character models, and game art
- Ensured timely communication online to boost customer trust
